SCRIP TALK

DIS AND DATA ..as time and space permits !! Scriptor Slusher passes along an obit for Scriptor Ralph Blankenbecler of Coeburn, VA. The sympathy of all NSCA members goes out to Ralph's family. He attended many of our conventions in past years....Our condolences also to Scriptor Paul Greenberg on the passing of his wife. Paul, also had attended one or more of our meetings and moved to Florida after many years in New York.

.....Note to Bill Williams: Scriptor Roger Slusher had you foil the L.E. Stone items at the Bridgeport meeting in answer to your inquiry...

Scriptor Joe Copeland replies to Scriptor Paul Jensen that WATTS CREEK COAL CO. is listed in 1917 Dun and 1921 KY report of Dept. of Mines. Originally called WATTS CREEK JELLICO COAL CO. then NEW WATTS CREEK COAL CO. at Whitley Co. KY.... Scriptor Cecil Roe, 3712 Riverside Dr., Huntington, WV 25705 has a special want list on items to complete sets. Send him a note if you would like to have this listing.....Cecil also posed a question I cannot answer. Maybe YOU can help "What is the difference between 2219E100 (R6) and 1837 A100 (R3) in the catalog??" They both have the same size - cutouts, etc.....MANY THANKS to Scriptor Harold Lee - Eli Harrah, Jr. - and Joe Copeland for leads on supplies for the Rex-Rotary stencil cutter. I am contacting these for information on what they have available that will work on my machine!!

PRESIDENT Crawford Blakeman indicates that the SPRING 1989 National Convention will be held in the Paintsville, KY area. Watch for details in SCRIP TALK. Too, it's not too early to be making your plans for FALL 1988 the first week-end in October at the Holiday Inn, Bluefield, West Va.....As will be noted in another section of this bulletin, we are in need of a GOOD collection to list for auction in the Mail Sale!! If you are thinking about selling, drop me a note!! Too, we need articles for publication in the bulletin (are you listening, Scriptor W.C. Stum?). This issue of the bulletin will be small because of the lack of material....The National Park Service holds a NEW RIVER SYMPOSIUM each year in West Virginia, Virginia and North Carolina. The April 1988 event was held in Oak Hill, WV. There is now available a copy of the proceedings of this meeting and several items of interest to Scriptors are in the book: Coal Company Scrip by Scriptor Truman Sayre - The future of coal in the New River Field by John David - The Kaymoor Company Store by Scriptor Lou Athey - Glen Jean and the McKells by Melody Bragg, etc. You can get a copy for your library for \$10.00 from: New River Gorge National River, Box 1189, Oak Hill, WV 25901.....The June 1988 issue of COIN WORLD contained an ad about the sale of the coin collection of Scriptor Frank F. Sprinkle. Did you see it? Scriptor Joe Copeland, Publicity Director of NSCA, reminds all members that his services are available as regards Public Relations and Publicity for NSCA. Drop him a note if you need anything!!Joe is also working on a catalog for Tennessee tokens..You Tennessee collectors need to contact him for listings for the catalog!!.....
